

**Writing (Pg 54)**

Enunciado:

Write about Sandy Forest mentioning these points: how old she is; where she lives; how many brothers and sisters she has got and who he lives with; why her family and her don't walk fast on their hikes in the summer and what she does in the winter.

Desarrollo:

She is 14 and she lives in Christchurch, New Zealand. She has got one brother and he lives with their parents . They don't walk fast on their hikes because they often stop to look at the plants and animals and take photos in the summer and they go skiing or snowboarding in the winter.
