1	Nature of the tasks: <p>Unit C1 leads DG CLIMA's development of strategic options for the EU's international and domestic climate action, underpinned by in-depth economic and technical analysis. The team consists of 10+ policy officers, including economists, natural scientists and engineers. We lead on analysing and developing climate strategies, the design of cost-effective EU and international climate change policies and their economic, social and environmental impact assessment. As such we were for instance within DG CLIMA responsible for the development of the 2050 Low Carbon Economy Roadmap and the 2030 climate and energy policy framework. At the international level we support the climate change negotiations through quantitative analysis of mitigation policies and members of our team participate actively in the international climate negotiations.</p> <p>We work with various modelling teams providing expertise in macro economic, energy and other sectoral modelling of climate mitigation</p>

policies. We also work in close collaboration with European and international economic research institutes and policy think-tanks.

The nature of the tasks would be to strengthen the team in its analytical capacity to assess EU and international climate policies and provide policy recommendations related to further implementation of the 2030 climate and energy framework as well as the implementation of the Paris Agreement. Specifically the team will have to prepare in-depth analysis of the economic and social transformations needed in the context of a mid century strategy, both at EU and global level.

This will involve both the development of economic projections and mitigation scenarios in collaboration with various modelling teams, the elaboration of policy recommendations as well regular engagement with various stakeholders, at EU and international level.

2 Main qualifications:

a) Eligibility criteria

The following eligibility criteria are to be fulfilled by the candidate in order to be seconded to the Commission. Consequently, the candidate who does not fulfil one of them will be automatically eliminated from the selection process.

- Professional experience : at least three years' experience in administrative, legal, scientific, technical, advisory or supervisory functions which can be regarded as equivalent to those of function groups AD;
- Seniority : at least one year by your employer, that is having worked for an eligible employer (as described in Art. 1 of the SNE decision) on a permanent or contract basis for at least 12 months before the secondment;
- Linguistic skills: thorough knowledge of one of the EU languages and a satisfactory knowledge of another EU language to the extent necessary for the performance of the duties. An SNE from a non-member country must produce evidence of a thorough knowledge of one EU language necessary for the performance of his duties.

b) Selection criteria

- diploma: University diploma, preferably related to economics, energy, environment, agriculture and forestry or transport.

- professional experience: Preferably 5+ years in a field related to climate policies (e.g. climate, energy, transport, agriculture, etc.) in a public administration, research institute or consultancy where economic modelling tools, or at least the results of economic projections were used to formulate policy recommendations. Experience with international climate negotiations or national implementation of climate policies will be considered an additional asset.

- language(s) necessary for the performance of duties:

Excellent oral and written English. Knowledge of other EU languages will be considered an asset.

3 Submission of applications and selection procedure

Candidates should send their application according to the Europass CV format

(<http://europass.cedefop.europa.eu/en/documents/curriculum-vitae>) in English, French or German **only to the Permanent Representation / Diplomatic Mission to the EU of their country**, which will forward the applications to the competent services of the Commission within the deadline fixed by the latter. **Not respecting this procedure or deadlines will automatically invalidate the application.**

Candidates are required not to add other documents (such as copy of passport, copy of degrees or certificate of professional experience, etc). If necessary, these will be requested at a later stage.

Candidates will be informed of the follow-up of their application by the unit concerned.

4 Conditions of the secondment

The secondment will be governed by the Commission Decision C(2008)6866 of 12/11/2008 laying down rules on the secondment to the Commission of national experts and national experts in professional training (SNE Decision). This decision is available on http://ec.europa.eu/civil_service/job/sne/index_en.htm.

The SNE will remain employed and remunerated by his/her employer during the secondment. He/she will equally remain covered by the national social security.

Unless for cost-free SNEs, allowances may be granted by the Commission to SNEs fulfilling the conditions provided for in Art. 17 of the SNE decision.

During the secondment, SNEs are subject to confidentiality, loyalty and absence of conflict of interest obligations, as provided for in Art. 6 and 7 of the SNE Decision.

If any document is inexact, incomplete or missing, the secondment may be cancelled.

5 Processing of personal data

The selection, secondment and termination of the secondment of a national expert requires the Commission (the competent services of DG HR, DG BUDG, PMO and the DG concerned) to process personal data concerning the person to be seconded, under the responsibility of the Head of Unit of DG HR.B4. The data processing is subject to the SNE Decision as well as the Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data.

Data is kept by the competent services for 10 years after the secondment (2 years for not selected or not seconded experts).

Data subjects may exercise their right of access to data concerning them and the right to rectify such data by applying to the controller, in accordance with Article 13 of the Regulation on the processing of personal data. The candidate may send complaints to the European Data Protection Supervisor edps@edps.europa.eu.

To the attention of candidates from third countries: your personal data can be used for necessary checks.

European Parliament, Civil Society Organisations (including NGOs, academia and private sector) as well as relevant international organisations.

Main areas of responsibility:

The national expert will work in the team on forestry and land use issues. The focus would be on providing input – through internal briefings and reporting – to

- the negotiations of the Commission proposal on the integration of land use into the 2030 climate and energy framework.
- Preparing the guidance on calculating forest reference levels and take the lead on respective cooperation with Member States, coordinate work with JRC
- Follow-up on the COM proposal related to sustainability of biomass energy
- Work on issues related to the implementation of the EU Forestry Strategy including an EU deforestation action plan to the extent it is climate related.

The national expert would be involved in the work and discussions with Member States, the European Parliament and stakeholders on these dossiers.

2 Main qualifications:

a) Eligibility criteria

The following eligibility criteria are to be fulfilled by the candidate in order to be seconded to the Commission. Consequently, the candidate who does not fulfil one of them will be automatically eliminated from the selection process.

- Professional experience: at least three years' experience in administrative, legal, scientific, technical, advisory or supervisory functions which can be regarded as equivalent to those of function groups AD; knowledge in the area of LULUCF would be an advantage.
- Seniority: at least one year by your employer, that is having worked for an eligible employer (as described in Art. 1 of the SNE decision) on a permanent or contract basis for at least 12 months before the secondment;
- Linguistic skills: thorough knowledge of one of the EU official languages and a satisfactory knowledge of another EU official language to the extent necessary for the performance of the duties.

b) Selection criteria

Enthusiasm and commitment to work in the high-profile area of climate change policy are essential for this post. A University degree, ideally in forestry, agriculture, environmental economics or a related area. Familiarity with UNFCCC and European Union processes and action on climate change would be welcome. The expert should also have a good knowledge of how the land use sector is treated in international and EU domestic climate policies.

He/she would be able to manage a number of files simultaneously and to produce high quality output particularly briefings often within short deadlines. Good drafting and presentation skills (esp. clarity in explaining complex issues in a non-technical and comprehensible way) in English are also essential. Team spirit, readiness to adapt quickly to a new working environment and willingness to travel are required.

3 Submission of applications and selection procedure

Candidates should send their application according to the Europass CV format (<http://europass.cedefop.europa.eu/en/documents/curriculum-vitae>) in English, French or German **only to the Permanent Representation / Diplomatic Mission to the EU of their country**, which will forward the applications to the competent services of the Commission within the deadline fixed by the latter. **Not respecting this procedure or deadlines will automatically invalidate the application.** Candidates are required not to add other documents (such as copy of passport, copy of degrees or

He/she will also need to communicate with national SBRs producers and EGR users. Furthermore he/she needs to support the implementation of the future legislative provisions on SBRs according to the upcoming Framework Regulation Integrating Business Statistics (FRIBS). He/she will support the Team Leader on Business Registers and the Head of Unit G3, by advising on strategic and tactical issues making use of the know-how acquired so far.

2 Main qualifications:

a) Eligibility criteria

The following eligibility criteria are to be fulfilled by the candidate in order to be seconded to the Commission. Consequently, the candidate who does not fulfil one of them will be automatically eliminated from the selection process.

- Professional experience: at least three years' experience in administrative, legal, scientific, technical, advisory or supervisory functions which can be regarded as equivalent to those of function groups AD;
- Seniority: at least one year by your employer, that is having worked for an eligible employer (as described in Art. 1 of the SNE decision) on a permanent or contract basis for at least 12 months before the secondment;
- Linguistic skills: thorough knowledge of one of the EU official languages and a satisfactory knowledge of another EU official language to the extent necessary for the performance of the duties. An SNE from a non-member country must produce evidence of a thorough knowledge of one Community language necessary for the performance of his duties.

b) Selection criteria

- diploma: university diploma in mathematics, statistics or economics
- professional experience: well documented statistical experience in working with business registers in a national statistical office is required.
- language(s) necessary for the performance of duties: fluent English is required.

3 Submission of applications and selection procedure

Candidates should send their application according to the Europass CV format (<http://europass.cedefop.europa.eu/en/documents/curriculum-vitae>) in English, French or German only to the Permanent Representation / Diplomatic Mission to the EU of their country, which will forward the applications to the competent services of the Commission within the deadline fixed by the latter. Not respecting this procedure or deadlines will automatically invalidate the application. Candidates are required not to add other documents (such as copy of passport, copy of degrees or certificate of professional experience, etc). If necessary, these will be requested at a later stage. Candidates will be informed of the follow-up of their application by the unit concerned.

The secondment will be governed by the Commission Decision C(2008)6866 of 12/11/2008 laying down rules on the secondment to the Commission of national experts and national experts in professional training (SNE Decision). This decision is available on http://ec.europa.eu/civil_service/job/sne/index_en.htm.

The SNE will remain employed and remunerated by his/her employer during the secondment. He/she will equally remain covered by the national social security.

Unless for cost-free SNEs, allowances may be granted by the Commission to SNEs fulfilling the conditions provided for in Art. 17 of the SNE decision.

During the secondment, SNEs are subject to confidentiality, loyalty and absence of conflict of interest obligations, as provided for in Art. 6 and 7 of the SNE Decision.

If any document is inexact, incomplete or missing, the secondment may be cancelled.

5 Processing of personal data

The selection, secondment and termination of the secondment of a national expert requires the Commission (the competent services of DG HR, DG BUDG, PMO and the DG concerned) to process personal data concerning the person to be seconded, under the responsibility of the Head of Unit of DG HR.B4. The data processing is subject to the SNE Decision as well as the Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data.

Data is kept by the competent services for 10 years after the secondment (2 years for not selected or not seconded experts).

Data subjects may exercise their right of access to data concerning them and the right to rectify such data by applying to the controller, in accordance with Article 13 of the Regulation on the processing of personal data. The candidate may send complaints to the European Data Protection Supervisor edps@edps.europa.eu.

To the attention of candidates from third countries: your personal data can be used for necessary checks.

More information is available on http://ec.europa.eu/dgs/personnel_administration/security_en.htm.

1	Nature of the tasks: <p>Unit FISMA/E3 is the Commission's EU macro-prudential policy unit and is in charge of the Commission's relations with the European Systemic Risk Board (ESRB). The mission of the Unit has both an analytical and policy dimension. The Unit aims to identify potential sources of systemic risk that may warrant mitigating actions by monitoring and analyzing financial-sector developments at the EU and Member-State level. This systemic risk analysis feeds into the Commission's surveillance framework. The Unit contributes to the formulation and implementation of macro-prudential policies at the EU and national levels. It participates in a number of European and international fora, notably working groups of the ESRB, the European Banking Authority (EBA), the Basel Committee and the Financial Stability Board (FSB). The Unit is currently performing a comprehensive review of the EU macro-prudential framework (i.e. of the macro-prudential instruments and their activation procedures, as well as the ESRB governance and broader institutional setting of the EU macro-prudential framework).</p> <p>We propose a position of policy officer in macro-prudential matters. national expert will be expected to perform some of the following tasks (the list of tasks can be adjusted depending on the specific profile and expertise of the officer) :

- Contributions to the review of the macro-prudential regulatory framework: formulation of the Commission's position, preparation of policy documents, preparation of impact assessment, drafting of legislative proposal (CRD IV/CRR, SSM Regulation, ESRB Regulations);
- Active participation in various ESRB Working Groups: analysis of financial risks related to broader macro-economic developments (developments in real estate markets, emerging countries, foreign currencies);
- Monitoring and assessing a small number of Member States as regards their macro-prudential framework and actions;

2 Main qualifications:

a) Eligibility criteria

The following eligibility criteria are to be fulfilled by the candidate in order to be seconded to the Commission. Consequently, the candidate who does not fulfil one of them will be automatically eliminated from the selection process.

- Professional experience : at least three years' experience in administrative, legal, scientific, technical, advisory or supervisory functions which can be regarded as equivalent to those of function groups AD;
- Seniority : at least one year by your employer, that is having worked for an eligible employer (as described in Art. 1 of the SNE decision) on a permanent or contract basis for at least 12 months before the secondment;
- Linguistic skills: thorough knowledge of one of the EU languages and a satisfactory knowledge of another EU language to the extent necessary for the performance of the duties. An SNE from a non-member country must produce evidence of a thorough knowledge of one EU language necessary for the performance of his duties.

b) Selection criteria

- diploma: Economics, finance and/or law.

- professional experience: involvement in the area of financial stability and/or the design and conduct of macro-prudential policy and/or good knowledge of the EU financial regulation and policies.

- language(s) necessary for the performance of duties: English is the working language of the Unit. A good command of English is a prerequisite for the position, some knowledge of another EU official language would be appreciated.

3 Submission of applications and selection procedure

Candidates should send their application according to the Europass CV format (<http://europass.cedefop.europa.eu/en/documents/curriculum-vitae>) in English, French or German **only to the Permanent Representation / Diplomatic Mission to the EU of their country**, which will forward the applications to the competent services of the Commission within the deadline fixed by the latter. **Not respecting this procedure or deadlines will automatically invalidate the application.** Candidates are required not to add other documents (such as copy of passport, copy of degrees or certificate of professional experience, etc). If necessary, these will be requested at a later stage. Candidates will be informed of the follow-up of their application by the unit concerned.

4 Conditions of the secondment

The secondment will be governed by the Commission Decision C(2008)6866 of 12/11/2008 laying down rules on the secondment to the Commission of national experts and national experts in professional training (SNE Decision). This decision is available on http://ec.europa.eu/civil_service/job/sne/index_en.htm. The SNE will remain employed and remunerated by his/her employer during the secondment. He/she will equally remain covered by the national social security. Unless for cost-free SNEs, allowances may be granted by the Commission to SNEs fulfilling the conditions provided for in Art. 17 of the SNE decision. During the secondment, SNEs are subject to confidentiality, loyalty and absence of conflict of interest obligations, as provided for in Art. 6 and 7 of the SNE Decision. If any document is inexact, incomplete or missing, the secondment may be cancelled.
