1	Nature of the tasks: <p>The Unit "Electronic Communications Policy" develops policy and legislation in the field of electronic communications. By coordinating the review of the telecoms regulatory framework the Unit is the focal point for completing one of the key initiatives of the Digital Single Market Strategy. The remit of the unit covers various aspects of electronic communications policy ranging from network access and competition aspects to security and numbering as well as various consumer issues including net neutrality, switching and universal service. While the successful completion of the European Electronic Communications Code is the short-term priority, the unit will naturally follow closely the implementation of the new framework, and be involved in preparing relevant secondary legislation and guidance. With the election of the European Parliament approaching, the unit will play a key role in preparing for the mandate of the next Commission.</p> <p>Under the supervision of a Commission official, the successful candidate will contribute to future policy developments, and follow regulatory, market and technology developments necessary for the policy work. The work entails regular contacts with Member States, regulatory authorities, users, market players and industry associations.</p>

- Linguistic skills: thorough knowledge of one of the EU languages and a satisfactory knowledge of another EU language to the extent necessary for the performance of the duties. An SNE from a non-member country must produce evidence of a thorough knowledge of one EU language necessary for the performance of his duties.

b) Selection criteria

Diploma:

- university degree or
- professional training or professional experience of an equivalent level

in the field(s) law or economics

Professional experience:

Applicants should have a strong experience in electronic communications policy and good knowledge of regulatory environment. Some understanding of EU decision making procedures would be an asset.

Language(s) necessary for the performance of duties: English (knowledge of French would be an asset)

3 Submission of applications and selection procedure

Candidates should send their application according to the **Europass CV format** (<http://europass.cedefop.europa.eu/en/documents/curriculum-vitae>) in English, French or German **only to the Permanent Representation / Diplomatic Mission to the EU of their country**, which will forward the applications to the competent services of the Commission within the deadline fixed by the latter. **Not respecting this procedure or deadlines will automatically invalidate the application.**

Candidates are required not to add other documents (such as copy of passport, copy of degrees or certificate of professional experience, etc). If necessary, these will be requested at a later stage.

Candidates will be informed of the follow-up of their application by the unit concerned.

4 Conditions of the secondment

The secondment will be governed by the **Commission Decision C(2008)6866 of 12/11/2008** laying down rules on the secondment to the Commission of national experts and national experts in professional training (SNE Decision). This decision is available on http://ec.europa.eu/civil_service/job/sne/index_en.htm.

The SNE will remain employed and remunerated by his/her employer during the secondment. He/she will equally remain covered by the national social security.

Unless for cost-free SNEs, allowances may be granted by the Commission to SNEs fulfilling the conditions provided for in Art. 17 of the SNE decision.

During the secondment, SNEs are subject to confidentiality, loyalty and absence of conflict of interest obligations, as provided for in Art. 6 and 7 of the SNE Decision.

If any document is inexact, incomplete or missing, the secondment may be cancelled.

5 Processing of personal data

The selection, secondment and termination of the secondment of a national expert requires the Commission (the competent services of DG HR, DG BUDG, PMO and the DG concerned) to process personal data concerning the person to be seconded, under the responsibility of the Head of Unit of DG HR.B4. The data processing is subject to the SNE Decision as well as the Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data.

Data is kept by the competent services for 10 years after the secondment (2 years for not selected or not seconded experts).

Data subjects may exercise their right of access to data concerning them and the right to rectify such data by applying to the controller, in accordance with Article 13 of the Regulation on the processing of personal data. The candidate may send complaints to the European Data Protection Supervisor edps@edps.europa.eu.

To the attention of candidates from third countries: your personal data can be used for necessary checks.

3 Submission of applications and selection procedure

Candidates should send their application according to the **Europass CV format** (<http://europass.cedefop.europa.eu/en/documents/curriculum-vitae>) in English, French or German **only to the Permanent Representation / Diplomatic Mission to the EU of their country**, which will forward the applications to the competent services of the Commission within the deadline fixed by the latter. **Not respecting this procedure or deadlines will automatically invalidate the application.**

Candidates are required not to add other documents (such as copy of passport, copy of degrees or certificate of professional experience, etc). If necessary, these will be requested at a later stage.

Candidates will be informed of the follow-up of their application by the unit concerned.

4 Conditions of the secondment

The secondment will be governed by the **Commission Decision C(2008)6866 of 12/11/2008** laying down rules on the secondment to the Commission of national experts and national experts in professional training (SNE Decision). This decision is available on http://ec.europa.eu/civil_service/job/sne/index_en.htm.

The SNE will remain employed and remunerated by his/her employer during the secondment. He/she will equally remain covered by the national social security.

Unless for cost-free SNEs, allowances may be granted by the Commission to SNEs fulfilling the conditions provided for in Art. 17 of the SNE decision.

During the secondment, SNEs are subject to confidentiality, loyalty and absence of conflict of interest obligations, as provided for in Art. 6 and 7 of the SNE Decision.

If any document is inexact, incomplete or missing, the secondment may be cancelled.

5 Processing of personal data

The selection, secondment and termination of the secondment of a national expert requires the Commission (the competent services of DG HR, DG BUDG, PMO and the DG concerned) to process personal data concerning the person to be seconded, under the responsibility of the Head of Unit of DG HR.B4. The data processing is subject to the SNE Decision as well as the Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data.

Data is kept by the competent services for 10 years after the secondment (2 years for not selected or not seconded experts).

Data subjects may exercise their right of access to data concerning them and the right to rectify such data by applying to the controller, in accordance with Article 13 of the Regulation on the processing of personal data. The candidate may send complaints to the European Data Protection Supervisor edps@edps.europa.eu.

To the attention of candidates from third countries: your personal data can be used for necessary checks.

relation to cases related to the European Structural and Investment Funds and to Agricultural expenditure in the five Member States for which Unit B.5 is responsible. The expert will contribute to OLAF's investigative mission by participating in investigations in Member States, mainly Bulgaria, Cyprus, Greece, Italy or Romania, as provided in Regulation (EU, Euratom) No 883/2013 and the Guidelines on Investigation Procedures for OLAF Staff. He/she will also contribute to the co-ordination of enquiries conducted by the competent services of the Member States or candidate countries. He/she will also contribute to the monitoring of recommendations of a judicial and financial nature as provided in the OLAF Guidelines on Monitoring. These investigative and monitoring responsibilities require maintaining permanent contact with administrative, police and judicial authorities in Member States and candidate countries.

He/she will maintain and further develop contacts with the Bulgarian, Cypriot, Greek, Italian or Romanian national administrative, police and judicial authorities in relation to cases dealt with by the unit.

2 Main qualifications:

a) Eligibility criteria

The following eligibility criteria are to be fulfilled by the candidate in order to be seconded to the Commission. Consequently, the candidate who does not fulfil one of them will be automatically eliminated from the selection process.

- Professional experience : at least three years' experience in administrative, legal, scientific, technical, advisory or supervisory functions which can be regarded as equivalent to those of function groups AD;
- Seniority : at least one year by your employer, that is having worked for an eligible employer (as described in Art. 1 of the SNE decision) on a permanent or contract basis for at least 12 months before the secondment;
- Linguistic skills: thorough knowledge of one of the EU languages and a satisfactory knowledge of another EU language to the extent necessary for the performance of the duties. An SNE from a non-member country must produce evidence of a thorough knowledge of one EU language necessary for the performance of his duties.

b) Selection criteria

Diploma:

- university degree or
 - professional training or professional experience of an equivalent level
- in the field(s) of law, economics, etc...

Professional experience:

The national expert should have a solid background and proven professional experience (at least 5 years) at national level of administrative, police or judicial investigations in relation to irregularities and/or fraud, ideally to the EU budget. He/She should be familiar with the different national authorities in at least one of the following countries: Bulgaria, Cyprus, Greece, Italy, Romania (administrative services, police and judicial authorities) and have a good knowledge of the national procedures in relation to the protection of the EU's financial interests. Experience in assisting the Bulgarian, Cypriot, Greek, Italian or Romanian authorities in preventing, investigating and prosecuting fraud involving the EU budget would be an additional advantage.

Knowledge of the European Structural and Investment Funds and/or the EU Common Agricultural Policy

constitutes an asset.

The successful candidate must have good analytical, drafting and presentational skills and be a good communicator. Good judgement and the capacity to work effectively - both independently and as part of a team - are required.

A good knowledge of general IT applications (Word, Excel, PowerPoint, etc.) and the readiness to work with specific IT tools used in OLAF, especially those geared towards the management of operational cases, is essential.

The ability to work within a multicultural and multi-skilled team is therefore essential.

Language(s) necessary for the performance of duties:

An excellent knowledge of at least one of the following four languages: Bulgarian, Greek, Italian or Romanian, and a very good knowledge – spoken and written – of English, the working language of the unit, is required.

3 Submission of applications and selection procedure

Candidates should send their application according to the **Europass CV format** (<http://europass.cedefop.europa.eu/en/documents/curriculum-vitae>) in English, French or German **only to the Permanent Representation / Diplomatic Mission to the EU of their country**, which will forward the applications to the competent services of the Commission within the deadline fixed by the latter. **Not respecting this procedure or deadlines will automatically invalidate the application.**

Candidates are required not to add other documents (such as copy of passport; copy of degrees or certificate of professional experience, etc). If necessary, these will be requested at a later stage. Candidates will be informed of the follow-up of their application by the unit concerned.

4 Conditions of the secondment

The secondment will be governed by the **Commission Decision C(2008)6866 of 12/11/2008** laying down rules on the secondment to the Commission of national experts and national experts in professional training (SNE Decision). This decision is available on http://ec.europa.eu/civil_service/job/sne/index_en.htm.

The SNE will remain employed and remunerated by his/her employer during the secondment. He/she will equally remain covered by the national social security.

Unless for cost-free SNEs, allowances may be granted by the Commission to SNEs fulfilling the conditions provided for in Art. 17 of the SNE decision.

During the secondment, SNEs are subject to confidentiality, loyalty and absence of conflict of interest obligations, as provided for in Art. 6 and 7 of the SNE Decision.

If any document is inexact, incomplete or missing, the secondment may be cancelled.

5 Processing of personal data

The selection, secondment and termination of the secondment of a national expert requires the Commission (the competent services of DG HR, DG BUDG, PMO and the DG concerned) to process personal data concerning the person to be seconded, under the responsibility of the Head of Unit of DG HR.B4. The data processing is subject to the SNE Decision as well as the Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data.

Data is kept by the competent services for 10 years after the secondment (2 years for not selected or not seconded experts).

Data subjects may exercise their right of access to data concerning them and the right to rectify such data by applying to the controller, in accordance with Article 13 of the Regulation on the processing of personal data. The candidate may send complaints to the European Data Protection Supervisor

edps@edps.europa.eu.

To the attention of candidates from third countries: your personal data can be used for necessary checks.
