

This month's cover shows Rashid Burkhhilal, surveying engineer, setting up one of the four 'Active GNSS Control Points' on the top of the Landmark tower in Abu Dhabi, UAE. As was the case with the Burj Khalifa in Dubai and the Al Hamra tower in Kuwait, this tower is being driven vertical with the aid of the Core Wall Survey Control System, see feature page 12.

**GIM INTERNATIONAL**

*GIM International*, the global magazine for geomatics, is published each month by Geomares Publishing. The magazine and related e-newsletter provide topical overviews and accurately presents the latest news in geomatics, all around the world. *GIM International* is orientated towards a professional and managerial readership, those leading decision making, and has a worldwide circulation.

**PAID SUBSCRIPTIONS**

*GIM International* is available monthly on a subscription basis. The annual subscription rate for *GIM International* is €140 within the European Union, and €200 for non-European countries. Subscription can commence at any time, by arrangement via our website or by contacting Abonnementenland, a Dutch subscription administration company. Subscriptions are automatically renewed upon expiry, unless Abonnementenland receives written notification of cancellation at least 60 days before expiry date. Prices and conditions may be subject to change. For multi-year subscription rates or information on current paid subscriptions, contact Abonnementenland, Postbus 20, 1910 AA Uitgeest, Netherlands +31 (0)251-257926 (09.00-17.00 hrs, UTC +1) paidsubscription@geomares.nl.

**ADVERTISEMENTS**

Information about advertising and deadlines are available in the Media Planner. For more information please contact our account manager: victor.van.essen@geomares.nl.

**EDITORIAL CONTRIBUTIONS**

All material submitted to Geomares Publishing and relating to *GIM International* will be treated as unconditionally assigned for publication under copyright subject to the editor's unrestricted right to edit and offer editorial comment. Geomares Publishing assumes no responsibility for unsolicited material or for the accuracy of information thus received. Geomares Publishing assumes, in addition, no obligation to return material if not explicitly requested. Contributions must be sent for the attention of the editorial manager: wim.van.wegen@geomares.nl.
