

# Statistics & Risk Modeling

Volume 30 · Issue 1 · 2013

<i>P. V. Gapeev, N. Rodosthenous</i> Perpetual American options in a diffusion model with piecewise-linear coefficients . . . . .	1
<i>O. Okhrin, Y. Okhrin, W. Schmid</i> Properties of hierarchical Archimedean copulas . . . . .	21
<i>L. Györfi, H. Walk</i> Rate of convergence of the density estimation of regression residual . . . . .	55
<i>N. Laïb, M. Lemdani, E. O. Ould Saïd</i> A functional conditional symmetry test for a GARCH-SM model: Power asymptotic properties . . . . .	75
