

**CONTENTS**

Alternative Multiple Imputation Inference for Mean and Covariance Structure Modeling <b>Taehun Lee and Li Cai</b>	675
Modeling Achievement Trajectories When Attrition Is Informative <b>Betsy J. Feldman and Sophia Rabe-Hesketh</b>	703
The Impact of Variability of Item Parameter Estimators on Test Information Function <b>Jinming Zhang</b>	737
The Use of the $I_z$ and $I_z^*$ Person-Fit Statistics and Problems Derived From Model Misspecification <b>Rob R. Meijer and Jorge N. Tendeiro</b>	758
Acknowledgments	767
