

On the cover Insurgent parties are likely to do better in 2014 than in any year since the second world war: leader, page 7. They are changing the terms of European political debate. That does not guarantee them lasting electoral success, pages 16-18

The Economist online

Daily analysis and opinion from our 21 blogs, plus audio and video content, debates and a daily chart Economist.com/blogs

E-mail: newsletters and mobile edition Economist.com/email

Print edition: available online by 7pm London time each Thursday Economist.com/print

Audio edition: available online to download each Friday Economist.com/audioedition

Volume 410 Number 8868

Published since September 1843 to take part in "a severe contest between intelligence, which presses forward, and an unworthy, timid ignorance obstructing our progress."

Editorial offices in London and also: Atlanta, Beijing, Berlin, Brussels, Cairo, Chicago, Hong Kong, Johannesburg, Los Angeles, Mexico City, Moscow, New Delhi, New York, Paris, San Francisco, São Paulo, Singapore, Tokyo, Washington DC

6 The world this week
