

**On the cover**  
**State subsidies are corroding the financial sector and encouraging risk-taking. As the crisis recedes, it is time to get rid of them: leader, page 9.**  
**Our essay looks at how five historical crises shaped today's financial system, pages 47-52.**  
**The American government's new plans for its mortgage market, page 77, and higher capital requirements for its banks, page 76.**  
**Our obituary of Charles Keating, a financial snake-oil salesman, page 94**

**The Economist**

Volume 411 Number 8882

Published since September 1843 to take part in "a severe contest between intelligence, which presses forward, and an unworthy, timid ignorance obstructing our progress."

Editorial offices in London and also: Atlanta, Beijing, Berlin, Brussels, Cairo, Chicago, Hong Kong, Johannesburg, Lima, Los Angeles, Mexico City, Moscow, New Delhi, New York, Paris, San Francisco, São Paulo, Singapore, Tokyo, Washington DC

**6 The world this week**

**Leaders**

- 9 The future of finance**  
Leviathan of last resort
- 10 Israel and Palestine**  
Take a break
- 10 China's future**  
Enter the Chinese NGO
- 11 The World Bank**  
Right cause, wrong battle
- 12 Nigeria**  
Africa's new Number One

**Letters**

- 14 On Colombia, the IMF, robots, the media, jobs, streaming, Northern Ireland**

**Europe**

- 19 Ukraine and Russia**  
Back to the battlefield
- 20 France and Europe**  
More special pleading
- 21 Italy's government**  
The last chance
- 21 Spain's recovery**  
Better but not best
- 22 Press in the Balkans**  
Troublesome times
- 26 Charlemagne**  
The laws of euro-nomics

**Britain**

- 27 The housing market**  
Cool it
- 28 Maria Miller**  
The lady vanishes
- 28 Libel and Russia**  
A book too far
- 29 Bagehot**  
Scotland's No campaign

**Middle East and Africa**

- 30 The peace process**  
Going nowhere
- 33 Arabic and the internet**  
Surfing the shabaka
- 33 South Africa's corruption**  
Nkandla in the wind
- 34 Angola**  
Still much too oily

**United States**

- 35 Environmental politics**  
A run for Tom Steyer's money
- 36 Health reform**  
Medicare, the opera
- 38 Police violence**  
Breaking, and bad
- 38 The CIA and torture**  
Into the light
- 39 Military uniforms**  
Out of sight
- 39 America, Afghanistan and opium**  
Ten billion wasted
- 40 The Civil Rights Act**  
Fifty years on
- 41 Lexington**  
The Democrats' daughters

**The Americas**

- 43 Argentina's president**  
The CFK psychodrama
- 44 Voisey's Bay nickel mine**  
Ice and lolly
- 44 Chinese lending to Latin America**  
Flexible friends
- 45 Bello**  
Peru's Italian job

**Essay**

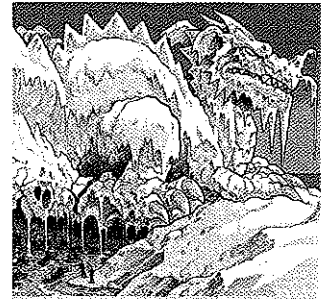

- 47 Financial crises**  
The slumps that shaped modern finance

**Asia**

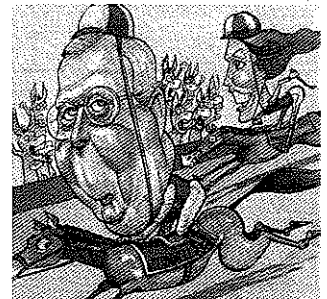

- 53 Myanmar and drugs**  
Getting higher
- 54 Indonesia's elections**  
Rough for Jokowi
- 54 The Philippines**  
A new condominium
- 55 Pakistan's army**  
General unease
- 56 Banyan**  
Afghanistan's gesture of defiance

**China**

- 57 Chinese civil society**  
Beneath the glacier

**China's NGOs** The Communist Party is giving more freedom to a revolutionary idea: leader, page 10. In spite of a political clampdown, a flourishing civil society is taking hold, page 57. China's lending to Latin America grows, page 44. But Bitcoin may be a step too far, page 76

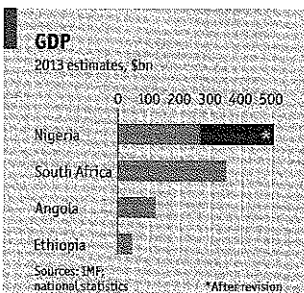

**Democratic daughters** Well-connected women are a useful way for Barack Obama's party to point up the difference from Republicans: Lexington, page 41. A verdant billionaire is betting that climate change matters too, page 35

**Ukraine** The disturbances in eastern Ukraine demonstrate that Russia wants to destabilise the country before next month's election, page 19. British publishers are also scared of Vladimir Putin, page 28

**Greek bonds** Their reappearance is a milestone for the European Union's most troubled economy, but there is still a long way to go, page 73. New research suggests that Greece should never have joined the EU, but everybody else should have, including Britain: Free exchange, page 78

**Champion Nigeria** It has jumped ahead of South Africa to become Africa's biggest economy. It also has superized problems: leader, page 12. Some dramatically revised GDP figures, page 75. How Dangote Group became Nigeria's biggest firm, page 63. But South Africa is mired in corruption scandals, page 33

**Thorium** An element named after the Norse god of thunder may soon contribute to the world's electricity supply, page 79

## International

- 60 Firms and political crises**  
Commissaries of revolution
- 61 Aid for health care**  
New prescriptions
