

On the cover
If Germany, France and Italy cannot find a way to refloat Europe's economy, the euro may yet be doomed: leader, page 9. Germany's economy stutters, even if the fundamentals are strong, page 22. By getting rid of its leftists, François Hollande has created a more cohesive government. But the French president's job will still be hard, page 21. Politics in Paris is even weirder than French political fiction, page 22
