

**On the cover**  
**Vladimir Putin is winning.**  
 The West must steel itself for a lengthy struggle: leader, page 13. Neither a ceasefire nor sanctions will lead to a quick conclusion, page 21. It is proving difficult to craft effective sanctions, page 23. Barack Obama shows his hand to America's enemies: Lexington, page 44. Henry Kissinger might have done differently, page 76

Who's the boss?
- 41 The Ivy League**  
Grade expectations
- 42 The abuse of mobile-phone data**  
The two towers
- 42 The Georgia governor's race**  
Deal or no Deal
- 43 Dragon Con 2014**  
The geek shall inherit the earth
- 44 Lexington**  
A president playing poker with the world

**Technology Quarterly**

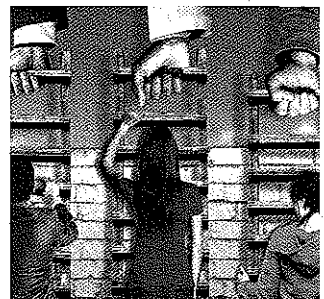

After page 44

**The Americas**

- 47 Marina Silva**  
Brazil's next leader?
- 48 Mexico's president**  
Turning on the charm

**Hong Kong** China has ruled out full democracy in the territory anytime soon. Hong Kong's citizens must not give up demanding it: leader, page 14. Denied free elections, local democrats plan, reluctantly, to take to the streets, page 53

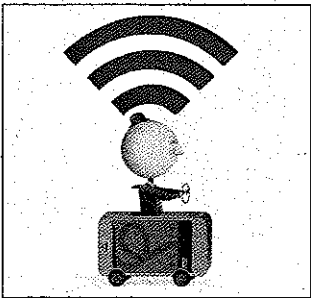

**Interns** Temporary, unregulated and often unpaid, the internship has become the route to professional work, page 55

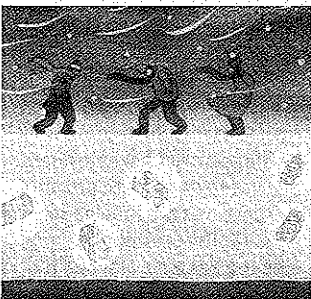

**Brazil** Marina Silva could well be the country's next president. She has to do more to prove she deserves the job: leader, page 15. The presidential election has a new favourite. What is she like? Page 47. The economy slips into recession, page 67

**Googlyphobia** Germany's opposition to American technology firms is short-sighted and self-defeating, page 16. Why Google has become Germany's bogeyman and why this matters, page 59. Our obituary of a "cypherpunk" who distrusted both governments and big companies, page 86

**Technology Quarterly** With articles on the latest emerging technologies including how the connected car is paving the way to a driverless future, biohacking, suspended animation, missile defences, demolishing buildings, advances in air-traffic control and much more, after page 44

**Stagnant wages** Throughout the rich world, wages are stuck, page 65. A prominent columnist calls for radical reforms to the global economy, page 75

## Asia

- 49 Politics in Pakistan**  
Army in the middle
- 50 Malaysian politics**  
If you can't beat them, charge them
- 51 Japan's new cabinet**  
Shuffling the deck
- 51 Pyongyang's cheerleaders**  
Sadness in the South
