**Saudi Arabia** Chaos in the Middle East casts the kingdom as the Arab world's main power: leader, page 12. The new rulers want to increase Saudi Arabia's clout. They face a hard task, pages 17-19. The fall of Ramadi and Palmyra shows how dangerous Islamic State remains, page 29

**Scotland** Giving it fiscal autonomy would improve governance—and could also weaken demands to break away from Britain: leader, page 10. Riding high, Scottish nationalists ponder when next to push for independence, page 26. Note to Scotland, from Quebec: support for nationalism can fall, too, page 41

**Elizabeth Warren** What does she want? It's not the presidency, and for good reason: Lexington, page 40. She is wrong about many things, but on financial crime she has a point: leader, page 13
