

On the cover

The desert kingdom is trying to dominate its region and transform its economy at the same time: leader, page 7. The deputy crown prince is shaking up one of the world's most conservative regimes, page 17. A possible IPO of Saudi Aramco could mark the end of the post-war oil order, page 19. Five years after the Arab spring the region is worse off than ever. But its people understand their predicament better, page 29. To defeat Islamic extremism, Britain must get its measure: Bagehot, page 28
