Convergence Report 2010	1
Convergence Report 2010 - Technical annex	31
1. Introduction	33
1.1. ROLE OF THE REPORT	33
1.2. APPLICATION OF THE CRITERIA	35
1.2.1. Compatibility of legislation	35
1.2.2. Price stability	35
1.2.3. Government budgetary position	38
1.2.4. Exchange rate stability	40
1.2.5. Long-term interest rates	41
1.2.6. Additional factors	42
2. Bulgaria	45
2.1. LEGAL COMPATIBILITY	45
2.1.1. Introduction	45
2.1.2. Objectives	45
2.1.3. Independence	45
2.1.4. Integration in the ESCB	46
2.1.5. Prohibition of monetary financing	46
2.1.6. Assessment of compatibility	46
2.2. PRICE STABILITY	47
2.2.1. Respect of the reference value	47
2.2.2. Recent inflation developments	47
2.2.3. Underlying factors and sustainability of inflation	48
2.3. GOVERNMENT BUDGETARY POSITION	52
2.3.1. Developments 2004-2009	52
2.3.2. Medium-term prospects	53
2.4. EXCHANGE RATE STABILITY	55
2.5. LONG-TERM INTEREST RATE	57
2.6. ADDITIONAL FACTORS	58
2.6.1. Developments of the balance of payments	58
2.6.2. Product market integration	59
2.6.3. Financial market integration	61
3. Czech Republic	63
3.1. LEGAL COMPATIBILITY	63
3.1.1. Introduction	63
3.1.2. Objectives	63
3.1.3. Independence	63
3.1.4. Integration in the ESCB	63
3.1.5. Prohibition of monetary financing	64
3.1.6. Assessment of compatibility	64
3.2. PRICE STABILITY	65
3.2.1. Respect of the reference value	65
3.2.2. Recent inflation developments	65
3.2.3. Underlying factors and sustainability of inflation	65

3.3.	GOVERNMENT BUDGETARY POSITION	69
3.3.1.	The excessive deficit procedure for the Czech republic	69
3.3.2.	Developments until 2009	69
3.3.3.	Medium-term prospects	70
3.4.	EXCHANGE RATE STABILITY	72
3.5.	LONG-TERM INTEREST RATE	73
3.6.	ADDITIONAL FACTORS	74
3.6.1.	Developments of the balance of payments	74
3.6.2.	Product market integration	75
3.6.3.	Financial market integration	77
4.	Estonia	79
4.1.	LEGAL COMPATIBILITY	79
4.1.1.	Introduction	79
4.1.2.	Objectives	79
4.1.3.	Independence	79
4.1.4.	Integration in the ESCB	79
4.1.5.	Prohibition of monetary financing	80
4.1.6.	Assessment of compatibility	80
4.2.	PRICE STABILITY	81
4.2.1.	Respect of the reference value	81
4.2.2.	Recent inflation developments	81
4.2.3.	Underlying factors and sustainability of inflation	81
4.3.	GOVERNMENT BUDGETARY POSITION	86
4.3.1.	Developments 2004-2009	86
4.3.2.	Medium-term prospects	86
4.4.	EXCHANGE RATE STABILITY	89
4.5.	LONG-TERM INTEREST RATES	91
4.6.	ADDITIONAL FACTORS	93
4.6.1.	Developments of the balance of payments	93
4.6.2.	Product market integration	94
4.6.3.	Financial market integration	96
5.	Latvia	99
5.1.	LEGAL COMPATIBILITY	99
5.1.1.	Introduction	99
5.1.2.	Objectives	99
5.1.3.	Independence	99
5.1.4.	Integration in the ESCB	100
5.1.5.	Prohibition of monetary financing	100
5.1.6.	Assessment of compatibility	100
5.2.	PRICE STABILITY	101
5.2.1.	Respect of the reference value	101
5.2.2.	Recent inflation developments	101
5.2.3.	Underlying factors and sustainability of inflation	102
5.3.	GOVERNMENT BUDGETARY POSITION	106
5.3.1.	The excessive deficit procedure for Latvia	106
5.3.2.	Developments 2004-2009	106
5.3.3.	Medium-term prospects	107
5.4.	EXCHANGE RATE STABILITY	110
5.5.	LONG-TERM INTEREST RATE	112
5.6.	ADDITIONAL FACTORS	113
5.6.1.	Developments of the balance of payments	113
5.6.2.	Product market integration	115

5.6.3.	Financial market integration	117
6.	Lithuania	121
6.1.	LEGAL COMPATIBILITY	121
6.1.1.	Introduction	121
6.1.2.	Objectives	121
6.1.3.	Independence	121
6.1.4.	Integration in the ESCB	121
6.1.5.	Prohibition of monetary financing	121
6.1.6.	Assessment of compatibility	121
6.2.	PRICE STABILITY	122
6.2.1.	Respect of the reference value	122
6.2.2.	Recent inflation developments	122
6.2.3.	Underlying factors and sustainability of inflation	122
6.3.	GOVERNMENT BUDGETARY POSITION	126
6.3.1.	The excessive deficit procedure for Lithuania	126
6.3.2.	Developments 2004-2009	126
6.3.3.	Medium-term prospects	127
6.4.	EXCHANGE RATE STABILITY	129
6.5.	LONG-TERM INTEREST RATE	131
6.6.	ADDITIONAL FACTORS	132
6.6.1.	Developments of the balance of payments	132
6.6.2.	Product market integration	133
6.6.3.	Financial market integration	135
7.	Hungary	137
7.1.	LEGAL COMPATIBILITY	137
7.1.1.	Introduction	137
7.1.2.	Objectives	137
7.1.3.	Independence	137
7.1.4.	Integration in the ESCB	137
7.1.5.	Prohibition of monetary financing	138
7.1.6.	Assessment of compatibility	139
7.2.	PRICE STABILITY	140
7.2.1.	Respect of the reference value	140
7.2.2.	Recent inflation developments	140
7.2.3.	Underlying factors and sustainability of inflation	140
7.3.	GOVERNMENT BUDGETARY POSITION	144
7.3.1.	The excessive deficit procedure for Hungary	144
7.3.2.	Developments 2004-2009	144
7.3.3.	Medium-term prospects	145
7.4.	EXCHANGE RATE STABILITY	148
7.5.	LONG-TERM INTEREST RATE	150
7.6.	ADDITIONAL FACTORS	151
7.6.1.	Developments of the balance of payments	151
7.6.2.	Product market integration	152
7.6.3.	Financial market integration	154
8.	Poland	157
8.1.	LEGAL COMPATIBILITY	157
8.1.1.	Introduction	157
8.1.2.	Objectives	157
8.1.3.	Independence	157
8.1.4.	Integration in the ESCB	158

8.1.5.	Prohibition of monetary financing	158
8.1.6.	Assessment of compatibility	159
8.2.	PRICE STABILITY	160
8.2.1.	Respect of the reference value	160
8.2.2.	Recent inflation developments	160
8.2.3.	Underlying factors and sustainability of inflation	161
8.3.	GOVERNMENT BUDGETARY POSITION	165
8.3.1.	The excessive deficit procedure for Poland	165
8.3.2.	Developments 2004-2009	165
8.3.3.	Medium-term prospects	166
8.4.	EXCHANGE RATE STABILITY	168
8.5.	LONG-TERM INTEREST RATE	170
8.6.	ADDITIONAL FACTORS	171
8.6.1.	Developments of the balance of payments	171
8.6.2.	Product market integration	172
8.6.3.	Financial market integration	174
9.	Romania	177
9.1.	LEGAL COMPATIBILITY	177
9.1.1.	Introduction	177
9.1.2.	Objectives	177
9.1.3.	Independence	177
9.1.4.	Integration in the ESCB	178
9.1.5.	Prohibition of monetary financing	178
9.1.6.	Assessment of compatibility	179
9.2.	PRICE STABILITY	180
9.2.1.	Respect of the reference value	180
9.2.2.	Recent inflation developments	180
9.2.3.	Underlying factors and sustainability of inflation	181
9.3.	GOVERNMENT BUDGETARY POSITION	184
9.3.1.	The excessive deficit procedure for Romania	184
9.3.2.	Developments 2004-2009	184
9.3.3.	Medium-term prospects	185
9.4.	EXCHANGE RATE STABILITY	187
9.5.	LONG-TERM INTEREST RATE	189
9.6.	ADDITIONAL FACTORS	190
9.6.1.	Developments of the balance of payments	190
9.6.2.	Product market integration	191
9.6.3.	Financial market integration	193
10.	Sweden	197

10.1.1.	Introduction	197
10.1.2.	Objectives	197
10.1.3.	Independence	197
10.1.4.	Integration in the ESCB	197
10.1.5.	Prohibition of monetary financing	198
10.1.6.	Assessment of compatibility	198
10.2.	PRICE STABILITY	199
10.2.1.	Respect of the reference value	199
10.2.2.	Recent inflation developments	199
10.2.3.	Underlying factors and sustainability of inflation	199
10.3.	GOVERNMENT BUDGETARY POSITION	203
10.3.1.	Developments 2004-2009	203

10.3.2. Medium-term prospects	203
10.4. EXCHANGE RATE STABILITY	205
10.5. LONG-TERM INTEREST RATE	206
10.6. ADDITIONAL FACTORS	207
10.6.1. Developments of the balance of payments	207
10.6.2. Product market integration	208
10.6.3. Financial market integration	209

LIST OF TABLES

2.2.1. Bulgaria - Components of inflation	48
2.2.2. Bulgaria - Other inflation and cost indicators	49
2.3.1. Bulgaria - Budgetary developments and projections	53
2.6.1. Bulgaria - Balance of payments	59
2.6.2. Bulgaria - Product market integration	60
3.2.1. Czech Republic - Components of inflation	66
3.2.2. Czech Republic - Other inflation and cost indicators	67
3.3.1. Czech Republic - Budgetary developments and projections	70
3.6.1. Czech Republic - Balance of payments	75
3.6.2. Czech Republic - Product market integration	76
4.2.1. Estonia - Components of inflation	82
4.2.2. Estonia - Other inflation and cost indicators	83
4.3.1. Estonia - Budgetary developments and projections	88
4.6.1. Estonia - Balance of payments	94
4.6.2. Estonia - Product market integration	96
5.2.1. Latvia - Components of inflation	102
5.2.2. Latvia - Other inflation and cost indicators	103
5.3.1. Latvia - Budgetary developments and projections	107
5.6.1. Latvia - Balance of payments	114
5.6.2. Latvia - Product market integration	116
6.2.1. Lithuania - Components of inflation	123
6.2.2. Lithuania - Other inflation and cost indicators	124
6.3.1. Lithuania - Budgetary developments and projections	127
6.6.1. Lithuania - Balance of payments	133
6.6.2. Lithuania - Product market integration	134
7.2.1. Hungary - Components of inflation	141
7.2.2. Hungary - Other inflation and cost indicators	142
7.3.1. Hungary - Budgetary developments and projections	145
7.6.1. Hungary - Balance of payments	152
7.6.2. Hungary - Product market integration	153
8.2.1. Poland - Components of inflation	161
8.2.2. Poland - Other inflation and cost indicators	162
8.3.1. Poland - Budgetary developments and projections	166
8.6.1. Poland - Balance of payments	172
8.6.2. Poland - Product market integration	173
9.2.1. Romania - Components of inflation	181
9.2.2. Romania - Other inflation and cost indicators	182
9.3.1. Romania - Budgetary developments and projections	185
9.6.1. Romania - Balance of payments	191
9.6.2. Romania - Product market integration	193
10.2.1. Sweden - Components of inflation	200
10.2.2. Sweden - Other inflation and cost indicators	201
10.3.1. Sweden - Budgetary developments and projections	204
10.6.1. Sweden - Balance of payments	207

LIST OF GRAPHS

1a	Bulgaria - Inflation criterion since 2004	6
1b	Bulgaria – Government budget balance and debt	7
2a	Czech Republic - Inflation criterion since 2004	9
2b	Czech Republic – Government budget balance and debt	10
3a	Estonia - Inflation criterion since 2004	12
3b	Estonia – Government budget balance and debt	13
4a	Latvia - Inflation criterion since 2004	15
4b	Latvia – Government budget balance and debt	15
5a	Lithuania - Inflation criterion since 2004	18
5b	Lithuania – Government budget balance and debt	18
6a	Hungary - Inflation criterion since 2004	20
6b	Hungary – Government budget balance and debt	21
7a	Poland - Inflation criterion since 2004	23
7b	Poland – Government budget balance and debt	24
8a	Romania - Inflation criterion since 2004	26
8b	Romania – Government budget balance and debt	26
9a	Sweden - Inflation criterion since 2004	28
9b	Sweden – Government budget balance and debt	29
2.2.1.	Bulgaria - Inflation criterion since 2004	47
2.2.2.	Bulgaria - HICP inflation	47
2.2.3.	Bulgaria - Inflation, productivity and wage trends	49
2.4.1.	Exchange rates - BGN/EUR	55
2.4.2.	Bulgaria - 3-M Sofibor spread to 3-M Euribor	55
2.5.1.	Bulgaria - Long-term interest rate criterion	57
2.5.2.	Bulgaria - Long-term interest rates	57
2.6.1.	Bulgaria - Saving and investment	58
2.6.2.	Bulgaria - Effective exchange rates	58
2.6.3.	Bulgaria - Recent development of the financial system relatively to the euro area	61
2.6.4.	Bulgaria - Foreign ownership and concentration in the banking sector	61
2.6.5.	Bulgaria - selected banking sector soundness indicators relatively to the euro area	62
2.6.6.	Bulgaria - Recent developments in bank credit to households and corporations relatively to the euro area	62
2.6.7.	Bulgaria - Share of foreign currency loans	62
3.2.1.	Czech Republic - Inflation criterion since 2004	65
3.2.2.	Czech Republic - HICP inflation	65
3.2.3.	Czech Republic - Inflation, productivity and wage trends	66
3.4.1.	Exchange rates - CZK/EUR	72
3.4.2.	Czech Republic - 3-M Pribor spread to 3-M Euribor	72
3.5.1.	Czech Republic - Long-term interest rate criterion	73
3.5.2.	Czech Republic - Long-term interest rates	73
3.6.1.	Czech Republic - Saving and investment	74
3.6.2.	Czech Republic - Effective exchange rates	74
3.6.3.	Czech Republic - Recent development of the financial system relatively to the euro area	77
3.6.4.	Czech Republic - Foreign ownership and concentration in the banking sector	77
3.6.5.	Czech Republic - selected banking sector soundness indicators relatively to the euro area	78
3.6.6.	Czech Republic - Recent developments in bank credit to households and corporations relatively to the euro area	78
3.6.7.	Czech Republic - Share of foreign currency loans	78
4.2.1.	Estonia - Inflation criterion since 2004	81

4.2.2.	Estonia - HICP inflation	81
4.2.3.	Estonia - Inflation, productivity and wage trends	83
4.4.1.	EEK - Spread vs central rate	89
4.4.2.	Exchange rates - EEK/EUR	89
4.4.3.	Estonia - 3-M Talibor spread to 3-M Euribor	90
4.5.1.	Estonia - Interest rate indicator	91
4.6.1.	Estonia - Effective exchange rates	93
4.6.2.	Estonia - Saving and investment	93
4.6.3.	Estonia - Recent development of the financial system relatively to the euro area	96
4.6.4.	Estonia - Foreign ownership and concentration in the banking sector	97
4.6.5.	Estonia - selected banking sector soundness indicators relatively to the euro area	97
4.6.6.	Estonia - Recent developments in bank credit to households and corporations relatively to the euro area	97
4.6.7.	Estonia - Share of foreign currency loans	97
5.2.1.	Latvia - Inflation criterion since 2004	101
5.2.2.	Latvia - HICP inflation	101
5.2.3.	Latvia - Inflation, productivity and wage trends	104
5.4.1.	LVL - Spread vs central rate	110
5.4.2.	Exchange rates - LVL/EUR	110
5.4.3.	Latvia - 3-M Rigibor spread to 3-M Euribor	111
5.5.1.	Latvia - Long-term interest rate criterion	112
5.5.2.	Latvia - Long-term interest rates	112
5.6.1.	Latvia - Saving and investment	113
5.6.2.	Latvia - Effective exchange rates	113
5.6.3.	Latvia - Banking sector rescue measures relatively to the euro area	117
5.6.4.	Latvia - Recent development of the financial system relatively to the euro area	117
5.6.5.	Latvia - Foreign ownership and concentration in the banking sector	117
5.6.6.	Latvia - selected banking sector soundness indicators relatively to the euro area	118
5.6.7.	Latvia - Recent developments in bank credit to households and corporations relatively to the euro area	118
5.6.8.	Latvia - Share of foreign currency loans	118
6.2.1.	Lithuania - Inflation criterion since 2004	122
6.2.2.	Lithuania - HICP inflation	122
6.2.3.	Lithuania - Inflation, productivity and wage trends	124
6.4.1.	LTL - Spread vs central rate	129
6.4.2.	Exchange rates - LTL/EUR	129
6.4.3.	Lithuania - 3-M Vilibor spread to 3-M Euribor	129
6.5.1.	Lithuania - Long-term interest rate criterion	131
6.5.2.	Lithuania - Long-term interest rates	131
6.6.1.	Lithuania - Saving and investment	132
6.6.2.	Lithuania - Effective exchange rates	132
6.6.3.	Lithuania - Recent development of the financial system relatively to the euro area	135
6.6.4.	Lithuania - Foreign ownership and concentration in the banking sector	135
6.6.5.	Lithuania - selected banking sector soundness indicators relatively to the euro area	135
6.6.6.	Lithuania - Recent developments in bank credit to households and corporations relatively to the euro area	136
6.6.7.	Lithuania - Share of foreign currency loans	136
7.2.1.	Hungary - Inflation criterion since 2004	140
7.2.2.	Hungary - HICP inflation	140
7.2.3.	Hungary - Inflation, productivity and wage trends	142
7.4.1.	Exchange rates - HUF/EUR	148
7.4.2.	Hungary - 3-M Bubor spread to 3-M Euribor	148
7.5.1.	Hungary - Long-term interest rate criterion	150
7.5.2.	Hungary - Long-term interest rates	150
7.6.1.	Hungary - Saving and investment	151

7.6.2.	Hungary - Effective exchange rates	151
7.6.3.	Hungary - Banking sector rescue measures relatively to the euro area	154
7.6.4.	Hungary - Recent development of the financial system relatively to the euro area	154
7.6.5.	Hungary - Foreign ownership and concentration in the banking sector	154
7.6.6.	Hungary - selected banking sector soundness indicators relatively to the euro area	155
7.6.7.	Hungary - Recent developments in bank credit to households and corporations relatively to the euro area	155
7.6.8.	Hungary - Share of foreign currency loans	155
8.2.1.	Poland - Inflation criterion since 2004	160
8.2.2.	Poland - HICP inflation	160
8.2.3.	Poland - Inflation, productivity and wage trends	162
8.4.1.	Exchange rates - PLN/EUR	168
8.4.2.	Poland - 3-M Wıbor spread to 3-M Eurıbor	168
8.5.1.	Poland - Long-term interest rate criterion	170
8.5.2.	Poland - Long-term interest rates	170
8.6.1.	Poland - Saving and investment	171
8.6.2.	Poland - Effective exchange rates	171
8.6.3.	Poland - Recent development of the financial system relatively to the euro area	174
8.6.4.	Poland - Foreign ownership and concentration in the banking sector	175
