1. Definitions

(a) "Authorized Site" means those geographic locations identified by Licensee on Exhibit B. 2. Grant of License

Subject to the terms and conditions of this Agreement, AMA grants to Licensee a limited, non-exclusive, non-transferable license to access and use the Licensed Materials as permitted herein and solely via the Secured Network.

3. Permitted Uses of the Licensed Materials

During the term of this Agreement, Authorized Users shall use the Licensed Materials solely for the non-commercial purposes of research, teaching and/or private study. In furtherance of the foregoing, Authorized Users may:

(a) Search, view, retrieve and display the Licensed Materials.

(b) Print out a single copy of portions of the Licensed Materials.

(c) Download or store a copy of portions of the Licensed Materials for individual archival purposes only.

(d) Transmit a single electronic copy of individual articles, or discrete items or portions of such articles, to another Authorized User for use in accordance with this Agreement.

(f) If Licensee is an academic institution, it may loan or supply copies of individual articles, or discrete items or portions of such articles to a non-commercial library located in the same country as Licensee by mail, fax or secure electronic transmission for use in accordance with this Agreement provided that Licensee complies with Section 108 of the United States Copyright Act ("Limitations on exclusive rights, Reproduction by libraries and archives"), and Clause 3 of the Guidelines for the Proviso of Subsection 108 (g)(2) prepared by CONTU (National Commission on New Technological Uses of Copyrighted Works).

(g) If Licensee is an academic institution, it may incorporate individual articles from the Licensed Materials into electronic course packs, provided that Licensee shall delete all copies of any Licensed Materials retained in electronic course packs within the academic year in which they were used.

4. Prohibited Uses of the Licensed Materials

Any and all commercial use, distribution, or transmission of the Licensed Materials is strictly prohibited. In addition, Authorized Users shall not:

(a) Access or use the Licensed Materials on any public computer-based information system, including without limitation, any electronic bulletin board available to the public, the internet or the world wide web; provided, however, that nothing contained herein shall prohibit Authorized Users from accessing or using the Licensed Materials on publicly available computer systems so long as such access or use is made through the Secured Network and is username and password protected.

(b) Make copies of the Licensed Materials except as permitted in Section 3.

(c) Transfer, sublicense, display, perform, release, distribute, or sell the Licensed Materials.

(d) Prepare derivative works or incorporate the Licensed Materials, in whole or in part, in any other work or system.

(e) Reverse engineer, decompile or modify the Licensed Materials, in whole or in part.

(f) Use or authorize use of the Licensed Materials in any database or other compilation (except for electronic course packs if Licensee is an academic institution).

(g) Create a database or compilation containing the Licensed Materials, or otherwise store any Licensed Materials in any retrieval system (except for electronic course packs if Licensee is an academic institution).

(h) Use any robot, spider, or other automatic device, to monitor, upload, download or copy, including any systematic downloading or copying of, the Licensed Materials in whole or in part.

(i) Allow use or access to the Licensed Materials by anyone who is not an Authorized User.

(j) Modify, remove, cover, obscure, block or change any disclaimers, or copyright, trademark, and other intellectual property rights notices, which may appear on or in association with print or electronic copies of the Licensed Materials.

5. Reproduction or Republication of the Licensed Materials

Authorized Users must obtain AMA's permission to incorporate any Licensed Materials into a printed course pack or for any other reproduction or republication not permitted in Section 3 or by the legal doctrine of "fair use"

under United States or applicable international copyright law. Permission requests shall be directed to: Copyright Clearance Center at www.copyright.com.

6. Property Rights

A. Licensee acknowledges that the Licensed Materials are copyrighted by and contain the proprietary information of the AMA and/or its licensors. The only rights granted to Authorized Users are the rights to access and use the Licensed Materials in accordance with this Agreement. All rights not specifically granted herein are reserved by the AMA.

B. Restricted Rights of United States Government. The Licensed Materials include content and materials which are commercial technical data and/or computer databases and/or commercial computer software and/or commercial computer software documentation. These materials were developed exclusively at private expense by the American Medical Association, 515 North State Street, Chicago, Illinois 60654. In the event that the Licensee is a United States governmental entity, the right to use, modify, reproduce, release, perform, display, or disclose these technical data and/or computer data bases and/or computer software and/or computer software documentation are subject to the limited rights restrictions under DFARS 252.227-7015(b)(2) (Nov. 1995) and/or subject to the restrictions of DFARS 227.7202-1(a) (June 1995) and DFARS 227.7202-3(a) (June 1995), as applicable for U.S. Department of Defense procurements and the limited rights restrictions of FAR 52.227-14 (June 1987), and/or subject to the restricted rights provisions of FAR 52.227-14 (June 1987) and FAR 52.227-19 (June 1987), as applicable, and any applicable agency FAR Supplements, for non-Department of Defense Federal procurements.

7. Further Obligations of Licensee

Licensee shall:

(a) Take reasonable steps by instruction, agreement or otherwise to ensure compliance with the terms of this Agreement by each Authorized User.

(b) Take reasonable steps to ensure that only Authorized Users are permitted to access and use the Licensed Materials in accordance with Section 3.

(c) Promptly notify AMA of any use outside the scope of the license granted in Section 2 or other breach of this Agreement, and take all reasonable and appropriate steps to ensure that such activity ceases and to prevent any recurrence.

(d) Pay any applicable taxes and fees, other than taxes on AMA's net income, arising out of Licensee's use of the Licensed Materials and/or the rights granted under this Agreement. The responsibility for determining whether Licensee has any liability for any taxes or fees rests solely with the Licensee.

(e) Reasonably assist and cooperate with AMA in the protection and defense of AMA's rights in the Licensed Materials arising out of the use and access of the Licensed Materials by Authorized Users.

8. Payment

(a) In consideration for the rights granted to Licensee in this Agreement, Licensee shall pay AMA the Subscription Price ("Subscription Price"). The Subscription Price shall be due and payable, in US Dollars, as of the Effective Date or as of any subsequent Effective Date applicable to a renewal term. Notwithstanding the grant of license in Section 2 of this Agreement, AMA shall not permit access to the Licensed Materials until such time as

Docusign Envelope ID: 9CB8AB34-7214-4252-B486-B4D14F26037F

payment of the Subscription Price has been received by AMA, and, in the event Licensee fails to make prompt payment of the Subscription Price, AMA reserves the right to deny access to the Licensed Materials until such time as Licensee's account is made current.

(b) Licensee shall obtain any governmental permission required in order to make the payments hereunder, and the license granted in Section 2 of this Agreement shall be contingent upon such permission being obtained.

(c) If applicable, Licensee shall obtain, or assist AMA in obtaining for it, the benefit of any treaty or other agreement between the United States and any other governments concerning the avoidance of double taxation of the Subscription Price under the terms of which AMA may otherwise be entitled to exemption from or refund of any such tax or charge.

(d) Licensee acknowledges and agrees that the Subscription Price is calculated based in part on the number of FTE's identified on Exhibit A and the number of Authorized Sites identified on Exhibit B. "FTE's" shall mean the following: (i) if Licensee is an academic institution, the number of full time teaching staff; (ii) if Licensee is a hospital, the number of affiliated physicians (including residents); (iii) if Licensee is engaged in the pharamaceutical industry, the number of research and development employees; (iv) if Licensee is not an academic institution, hospital or engaged in the pharmaceutical industry, the number of individuals identified on Exhibit A; or (v) the number of full time employees, if Licensee is a governmental agency or department, physician group practice, charitable or nonprofit organization, or private foundation. Licensee shall provide to AMA a written statement as to its then-current total number of FTEs and Authorized Sites (A) within sixty (60) days prior to any Renewal Term, and (B) within thirty (30) days after receipt of a written request from AMA. If the total number of FTE's increases by more than five percent (5%) during the Term and/or the number of Authorized Sites increases during the Term, Licensee shall promptly notify AMA in writing as to the total number of FTEs and Authorized Sites and pay AMA any additional Subscription Price applicable to the increase in FTEs and/or Authorized Sites for the remainder of the Term.

9. Term

The initial term of this Agreement begins on the Effective Date and continues for three (3) years thereafter.

10. Termination

(a) If any Authorized User breaches any provision of this Agreement and fails to cure such breach within fifteen (15) days after Licensee receives written notice from AMA, (i) this Agreement shall automatically terminate and (ii) AMA shall deny all access to the Licensed Materials.

(b) If AMA breaches any provision of this Agreement and fails to cure such breach within fifteen (15) days after AMA receives written notice from Licensee, (i) this Agreement shall automatically terminate and (ii) Licensee shall receive a pro-rata refund of the Subscription Price for the unexpired portion of the then-current subscription term. The foregoing shall be Licensee's sole and exclusive remedy with respect to any such termination. Notwithstanding the foregoing, it shall not be a material breach of this Agreement if Licensee is unable to access the Licensed Materials for reasons beyond the immediate control of AMA including, without limitation, failures caused by third party service providers ("Service Failure"). In the event that a Service Failure persists for a period of thirty (30) consecutive days, Licensee may elect to terminate the Agreement upon written notice to AMA during such Service Failure, and, as its sole and exclusive remedy therefore, Licensee shall be entitled to a refund of the pro-rata portion of the Subscription Price paid by Licensee to AMA for the remainder of the applicable term.

(c) If Licensee is otherwise dissatisfied with the services provided by AMA, the Licensed Materials, or anything else related to this Agreement, Licensee's sole and exclusive remedy is to terminate this Agreement and discontinue access to and use of the Licensed Materials.

(d) This Agreement shall commence on the Effective Date and shall expire according to the terms of Section 10 of this Agreement, or with thirty (30) days' notice prior to the end of a calendar year due to

Docusign Envelope ID: 9CB8AB34-7214-4252-B486-B4D14F26037F

Licensee's need to opt out. Licensee is allowed to withdraw (opt out) from the multiyear agreement in the event of a considerably worsened financial situation or if it does not receive necessary funding.

(e) Except for termination due to a breach of these Terms of Use by an Authorized User, the AMA shall make commercially reasonable efforts to provide continuing access to Authorized Users to that portion of the Licensed Materials subscribed to, and paid for, by Licensee hereunder. Such access shall be further subject to (i) the terms of this Agreement except for Sections 8 and 9; (ii) AMA's continued right to grant the rights hereunder; and (iii) AMA's right to provide such access either, at AMA's option, through (x) a computer network owned and operated by AMA at no cost to Licensee, or (y) an AMA approved central archiving facility or other third party either of which may or may not charge a fee.

11. Representations, Warranties, and Indemnification

(a) Licensee represents and warrants that (i) it has all requisite corporate power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby; (ii) as of the Effective Date, the information provided by Licensee, including the number of FTE's and Authorized Sites as set forth on Exhibits A and B, is complete and accurate; and (iii) the person signing this Agreement on behalf of Licensee has the authority to do so.

(b) Licensee shall indemnify and hold harmless AMA from any and all claims, loss, and damages, including without limitation attorneys' fees, arising from Licensee's access to or use of the Licensed Materials under this Agreement ("Claim(s)"). AMA shall give Licensee prompt notice of such Claims, and Licensee shall have the right and obligation, at its sole expense, to defend such Claims and shall be solely responsible for satisfying any monetary judgments awarded or any settlements entered into as a result of such Claims. AMA may at its sole election participate in such defense at its own expense. Licensee shall keep AMA fully informed regarding any such Claims. Licensee shall not, however, be liable for any action, claim or cost incurred solely from the exercise of the license rights granted in Section 2 of this Agreement.

(c) The foregoing indemnification will not apply if Licensee is a public institution or agency and such indemnification by Licensee would violate (i) any statute or regulation; or (ii) any bylaw or equivalent governing instrument of Licensee. If this subsection (c) applies to Licensee, it shall notify AMA in writing, and provide supporting documentation, within ten (10) days of its receipt of the earlier to occur of (x) AMA's notice set forth in subsection 11 (b); or (y) a Claim.

12. LIMITATION OF LIABILITY

(a) THE LICENSED MATERIALS ARE PROVIDED "AS IS." NEITHER AMA NOR ANY OF ITS AGENTS, SUPPLIERS OR LICENSORS PROVIDE ANY EXPRESS OR IMPLIED REPRESENTATION OR WARRANTY OF ANY KIND, INCLUDING WITHOUT LIMITATION ANY REPRESENTATION OR WARRANTY THAT (i) THE INFORMATION IN THE LICENSED MATERIALS IS COMPLETE OR IS ACCURATE, OR (ii) ACCESS TO THE LICENSED MATERIALS WILL OPERATE UNINTERRUPTEDLY. AMA AND EACH SUCH AGENT, SUPPLIER AND LICENSOR EXPRESSLY DISCLAIM ANY AND ALL REPRESENTATIONS OR WARRANTIES, INCLUDING WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.

(b) Licensee acknowledges that the Licensed Materials have not been developed according to Licensee's specifications or are otherwise custom-made. Licensee specifically acknowledges that temporary interruptions in access to the Licensed Materials may occur from time to time and shall not constitute a breach of this Agreement. AMA shall exercise reasonable care to prevent such occurrences.

Docusign Envelope ID: 9CB8AB34-7214-4252-B486-B4D14F26037F

(c) AMA, ITS AGENTS, SUPPLIERS AND LICENSORS DISCLAIM ANY LIABILITY FOR ANY DAMAGES ARISING OUT OF THE USE OF ANY INFORMATION CONTAINED IN THE LICENSED MATERIALS, FROM ANY INTERRUPTION IN THE AVAILABILITY OF THE LICENSED MATERIALS, FROM ANY LOSS OF DATA AND FROM ANY EQUIPMENT FAILURE. IN NO EVENT WILL AMA OR ANY OF ITS SUPPLIERS, AGENTS OR LICENSORS BE LIABLE FOR ANY INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES, LOST PROFITS OR COST OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES.

(d) LICENSEE AGREES THAT IN NO EVENT SHALL ANY LIABILITY OF AMA OR ANY OF ITS SUPPLIERS, AGENTS OR LICENSORS EXCEED THE AMOUNT OF THE ANNUAL SUBSCRIPTION PRICE PAID BY LICENSEE.

13. Arbitration; Governing Law; Venue

Any controversy or claim arising out of or relating to the Agreement shall be resolved by a single impartial arbitrator pursuant to proceedings administered by the American Arbitration Association (AAA) under its rules for resolution of commercial disputes; provided, however, that AMA retains the right to enforce any of its intellectual property rights as provided in Section 13.

If the parties are unable to agree upon an impartial arbitrator within thirty (30) days of either party requesting arbitration, either party may apply to the AAA to make the appointment. The impartial arbitrator shall be an attorney or a retired judge and admitted to practice in Illinois. The arbitration shall be held in Chicago, Illinois. All submissions to the arbitrator, the proceedings and the award shall be confidential. The parties express their desire that the arbitration be conducted on an expedited basis with minimal discovery. The award shall be in writing and set forth the factual and legal bases for the award. The parties renounce recourse to litigation, to the extent provided by law, and intend the award to be final and binding except that judgment with respect to the award may be entered in any court having jurisdiction over the parties or their assets. All reasonable costs of both parties, as determined by the arbitrator, including but not limited to reasonable attorneys' fees, necessary to confirm the award in court or enforce the award, shall be borne entirely by the non-prevailing party (to be designated by the arbitrator in the award) and may not be allocated between the parties by the arbitrator.

The courts of the State of Illinois and/or the United States District Court for the Northern District of Illinois shall have exclusive jurisdiction over any action concerning the enforcement of an arbitration award, and the parties hereto agree to submit to the jurisdiction of the courts of the State of Illinois and the United States District Court for the Northern District of Illinois.

This Agreement shall be interpreted and construed in accordance with and shall be governed by the laws of the United States of America and the internal laws of the State of Illinois without reference to choice of law provisions and by the English language as it is used in the United States.

If Licensee is a public institution or agency and all or any portion of the foregoing violates (i) a statute or regulation applicable to Licensee; or (ii) a bylaw or equivalent governing instrument of Licensee, that portion will not apply but such inapplicability shall not affect the validity or enforceability of the remainder, if any, of this provision.

14. General

(a) AMA may, in its sole and exclusive discretion, modify, discontinue or otherwise remove any articles or other materials from the Licensed Materials.

Docusign Envelope ID: 9CB8AB34-7214-4252-B486-B4D14F26037F

(b) This Agreement represents the entire understanding of the parties and supercedes all prior oral or written agreements, negotiations, understandings, and representations between the parties with respect to the Licensed Materials.

(c) Licensee shall not assign or transfer, directly or indirectly, this Agreement, or any of Licensee's rights or obligations hereunder, without the prior written consent of AMA which will not be unreasonably withheld.

(d) Licensee acknowledges and confirms that a breach by any Authorized User of any of the covenants, agreements, or undertakings related to the Licensed Materials will cause immediate, irreparable damage to AMA that cannot be readily ascertained or remedied by arbitration in the manner set forth in Section 13. AMA will at all times retain the right to seek injunctive relief or any other equitable or judicial remedy. Equitable remedies available to AMA include, but are not limited to, injunctive and declaratory relief to immediately enforce AMA's intellectual property rights, in any jurisdiction throughout the world, as well as the right to terminate this Agreement in accordance with its terms. Licensee's sole recourse in the event of such termination is to seek monetary damages in an arbitration, if applicable, pursuant to Section 13.

(e) Licensee shall accept reasonable modifications to this Agreement if notified electronically or in writing by AMA in order to comply with any court holding or law or arbitration award which would protect AMA's rights, including without limitation copyrights, in the Licensed Materials. AMA shall post modifications to this Agreement on its Website (www.ama-assn.org) which shall become effective sixty (60) days from the posting date. In the event such modifications are unacceptable to Licensee, Licensee shall have the right to terminate this Agreement upon ten (10) days written notice to AMA and receive a prorata refund of the Subscription Price.

(f) In the event that any portion of this Agreement shall be deemed to be invalid or illegal, then such invalid or illegal portion shall, so far as possible, not affect the validity or legality of the remainder of this Agreement.

(g) Silence, acquiescence or inaction shall not be deemed a waiver of any right of either party hereunder, and a waiver shall only be effective if in writing signed by the party to be charged and such waiver shall not be construed to contain a continuing waiver of any other breaches of a same or similar type of breach specifically set forth therein.

(h) All notices required to be given under this Agreement shall be given in writing in English and sent by certified mail with return receipt requested, express courier, or hand delivery. If to AMA, notices shall be sent to the Senior Vice President for Business and Publishing, American Medical Association, 330 N. Wabash Avenue, Suite 39300, Chicago, Illinois 60611-5885, USA; with a copy to the Office of General Counsel at the same address. If to Licensee, notices shall be sent to attention of the person and at the address provided by Licensee in the online registration materials.
