ICEHOTEL 

Icehotel ([www.icehotel.com](http://www.icehotel.com)) is the original hotel since 1989 made out of snow and ice by the Torne river in the village of Jukkasjärvi in northern Sweden above the arctic circle. Our mission is to create life enriching experiences. It is not only a hotel, it is also an art exhibition where you can enjoy amazing pieces of art made by ice in our individually designed hotelrooms and suits and our Ceremony Hall made by different artist that come up to Jukkasjärvi each year to create their art in ice and snow. Aiming to create a total experience for our visitors from all over the world, we manage adventure and culinary experiences either in-house or in close partnership with carefully selected partners.

We accommodate our guest both in cold and warm hotel rooms and also have warm cabins. We offer our guest various activities found in the arctic such as dog sledding, snowmobile tours, wilderness dinners, northern light in the winter and midnight sun in the summer. We also have a wide range of restaurants for our guests to choose from and focus on local produce from the area. It spans from our Chefs Table, classical a la carte to more casual food, breakfast and lounge. Our seasonal winter resort expanded in 2016 with the opening of Icehotel 365, run on solar power to keep -5 C all year.
