SalMar ASA is one of the world's largest and most efficient companies in the production and processing of salmon. We are integrated into the entire value chain, from smolt production to processed products and sales. SalMar's turnover in 2022 was approx. NOK 20 billion and the company has approx. 2,400 employees in Norway. SalMar has activities in central and northern Norway, sales offices in Asia and a subsidiary in Iceland. The group's head office is located at Frøya in Trøndelag.

Job       The job as a productions worker will consist of a variety of work assignments related to the harvesting and processing of salmon, including manual cutting, packing, preparing, sorting, and the like.         Requirements       Experience from salmon production or other food production is an advantage, but not a necessity.         • Good communication skills       • English language is required. Good collaboration skills         • Collaboration is key – we value individuals who thrive in a team environment.       • Valid Police clearance         Personal characteristics:       • Reliable and punctual         • High work ethic Flexible       • Responsible         • Positive and enthusiastic       • Normally you work 37,5 hour per week (100%) but this can vary on a weekly basis         • Salary: NOK 207,78 (18 €) per hour gross       We work in shifts, so that you change between working day- and evening shift every other week. Due to our type of industry, there will be possibilities to work overtime and at other times there could be less than 37,5 hours a week. SalMar AS is bound by the collective agreement between Norwegian Seafood Federation and NNN (employee union).         The salary is based on the collective agreement's rates and local supplements and is subsequently regulated through local and central wage negotiations. As part of having a stable workforce, we prefer candidates that are looking to stay long term or permanently.
